 Hard-Working Enthusiastic Amateur Teams
 www.cincinnatiheatpremier.org

The Heat program is a non-profit girl's basketball academy serving greater Cincinnati. The Heat development program stresses fundamental basketball skills; our mission is improving each athlete's overall basketball IQ, athleticism, respect, and skill level. We serve community schools and emphasize an athlete's loyalty and commitment to her respective school team. **The dedicated head coaching staff is comprised of qualified and professional, collegian, high school, junior high, and youth coaches.** Team practice sessions will begin subsequent to team selections and end 6/1/2010, AAU Nationals, or College Evaluation period closure. Practices will be held at locations close to I-275. The Heat teams practice competitively an average of 2-3 times per week. The Heat teams will scrimmage, play in tournaments and leagues. We expect honest, talented, dedicated, respectful, hard working players, whose desire to get better equals their love for the game.
